The Person Who Introduce Me in This Industry

And she is Mrs. Violet Lee .

I met her at SL1M
MiTC Melaka.

She's very kind and
humble person
eventhough she's
very successful in her
career

MY HOPE...

- Since I from different education background, I realized that Takaful/Insurance something new in my career. It gives us more benefit that people did not know how important it is. The saddest part is I don't have protection for myself.
- In this internship programme I have learnt more about Great Eastern Takaful and how the benefit provided works for us.
- From this training I hope I can improve my knowledge and my life to educate people and help others to spent money for their protection first. In future I hope I can be a successful woman and be the role model to society.

And he is
Mr. Andy Lim,
someone who
inspires me to
succeed in this
journey.

What I did during the internship period?

- Attend class and learn more about Great Eastern Takaful, Super Group, takaful business and products information
- Learn how to use GETBIS, CFF Form, proposal form and e-submission
- Attend TBE preparation class, PEP class for Life Insurance
- Attend TBE examination
- Attend morning meeting and weekly meeting to get more sharing experiences from senior
- Get more spirit from others who shared their experiences in this industry and take that as challenge to be success.

ROLE MODEL LEADS TO SUCCESS

- In this opportunity, I would like to thank to Mr. Andy and Mrs. Violet for being our support system, our encouragement and our partners.
- Honestly, I have learned a lot from this internship programme. Gain so much confident level from zero.
- It was so much fun and I really had a wonderful time. Experience that I never get before.
- I hope from this internship I can build my career to change my lifestyle from zero to hero. Dream big with action !
