Conclusion

- First of all, I would like to thank very much to Mr Andy for giving me this golden opportunity for me to join this internship.
- After I join this internship, I have build my confidence level and the knowledge that I gained here is very valuable because here we are not only learn about insurance, but we also learn about how to manage your financial & property and also how to make investment which I think it would benefit you in the future.
- For those who will join this program, I guaranteed that you will enjoy and feel very worth to spend your time here because you will gain a lot of knowledge and at the same time you will never feel stress.
- Believe me, this program will you make feel very motivated and have a better confidence level.
