遇见更好的自己，

This is title of the event, and the speaker are telling us their experience in doing this career maybe someone will think we only need sales, actually they are doing education job to public. This event make me change my view from negative view changing to positive view, even facing obstacle and challenging we must facing it same to our lifes.

Visitation to Menara Great Eastern

Daily /weekly class routine

- Some photos of our daily activity

Bonding Trips

End of Training

- I am a person really low self confidence through out this training it enhance my confidence.
- And it is outside our books , it is life everyone cannot without it, although some people will misunderstanding but it is **important for everyone** of us.
- Knowledge gain from this internship I will try my best to educate people.
- I like the word “ LIFE” In life our concern, IF we live too LONG and IF you die too EARLY.
- Thank you for everyone, speaker, senior.
- This is my honour to be batch C internship.
