- FROM SIMPANG RENGAM, JOHOR.
- DIPLOMA IN ISLAMIC BANKING.
- GRADUATED FROM INSTITUT SAINS DAN TEKNOLOGI DARUL TAKZIM (INSTEDT)

WHAT I HAVE LEARN IN THIS INTERNSHIP

- 1) I learn about how important takaful to our life. Before this I always think takaful not important, so I don't need to buy it but after I learn more details about takaful I know all this while i'm totally wrong and I need to change other people mind too.
- 2) In this internship we also learn about how to manages our financial freedom.
- 3) Learn about how to use e-submission,GETBIS, CFF Form and Proposal form.

- 4) In this training, I learn how to approach people outside and tell them more about takaful so they can have a better future without any worries.
- 5) I learn if we want to do something, just do it and don't think about what others people will talk about you . Because they didn't make you success but its yourself that make you became a successful person.
- 6) Attend weekly meeting and ask senior if there's any question we don't know.
