Introduction

Your home is only as valuable as the contents that are in it. So, why not insure your household contents as you would your other valuable personal possessions? With GEGM's comprehensive Easi-Home Contents Insurance, we automatically provide you with coverage for loss or damage to your household items in your home, by specific causes such as fire or theft. For only as little as 39 cent a day, you can start enjoying the benefits and peace of mind you deserve. Simply review the Table of Benefits and discover for yourself the protection that we offer.
